Dear Grant

Have been meaning to send this for a while, but have been rather flat out so sorry for the delay.

We would like to thank you, and all of the team at Anotherroom for the excellent job you completed for us recently: the whole experience has been effortless thanks to the professionalism of you and your staff.

We were impressed with: the high quality of the final product which met all our expectations and has given us the much needed extra space we required; the efficiency and speed of the 'placement' of the room with none of the inconvenience of more 'traditional' renovation work; the professionalism displayed by you and your team during the planning and consultation stage and at all other times; the promptness and clarity of your replies to our stream of queries; and your willingness to keep us updated and to be transparent in all matters of costs etc.

The whole experience has been a very positive one for us and we would not hesitate to recommend your company to anyone who was looking for this type of product.

We wish you all the best for the future.

C. Scott and S. Nightingale
